

Firstly I would like to thank you for entrusting me to be your Captain. I will do my best together with my Vice Capt Jean Tully not to let you down.

After our Ladies meeting last week I was greatly encouraged by the enthusiasm and keenness of our members and seeing that so many have entered themselves in the County Competitions, (and we wish them every success.) I would like to mention the club competitions are also a great way to challenge yourselves & gain experience. I urge you to take part and support as many of those that you can.

Thanks must **be expressed** to all members who have volunteered to take on positions of responsibility, without them our club could not function.

I would like to congratulate Liz Harris on gaining the Safeguarding qualification and to Val Newman and Pamela Martin for taking the Health & Hygiene certificate. We appreciate your level of commitment which as we all know is required by law.

Try It Day: Please spread the word. Posters and leaflets are available

Should you know of anyone that might be interested please can I ask that you come along with them to help make them feel comfortable and welcome. **Otherwise** we look forward to seeing you in the afternoon at 2pm for a mixed friendly amongst ourselves. Uniform whites and the usual photo will be taken with the first wood being delivered by our first Lady President Jenny Moore.

The selection Committee have met and the names for the Ladies A-Team are on the board for you see. The Ladies B - Team sheet is also on the board for you to enter your names, which basically is everyone who is not in the A-Team.

The Riviera League is designed of course for our newer members to gain experience and etiquette when playing in proper games. The importance of this league must never be underestimated as its the Club's way of eventually feeding talented players into the higher leagues. By the way Maggie- Good luck in your league this season.

Don't be afraid, or question whether you are eligible to enter anything , **just do it.**

Club Nights are also a great opportunity to socialise and learn the game, experienced players are there to help you if you are keen to progress.

Finally I wish you all a successful season & look forward to seeing you all again on Opening Day when hopefully we can welcome some new members to our Club.

Thelma
