## **Minutes of the Annual General Meeting held on 10<sup>th</sup> November 2018 Held in the Club House at 10 am. Chaired by David Taylor.**

**David Taylor welcomed everyone to the meeting and thanked them for their attendance.**

**There were 64 members present, with 9 apologies. (List attached)**

**The minutes of the AGM held on 11<sup>th</sup> November 2017 were passed as being correct and as there were no matters arising, the meeting continued to the opening remarks from the Chairman, David Taylor.**

**David stressed the point that as it was an AGM meeting, there would be no “Any Other Business” slot, so if anyone has anything to raise, would they please see any one of the Management Committee after the meeting, to have it added to the Pre Season Meeting Agenda in March. He continued saying that he thought that we had had a very good season of bowling this year, even though performances were not as good as they perhaps might have been, but we can all look forward to doing better next year. Of course there are a lot of people who are working behind the scenes to keep the system running and when you turn up for a match, you expect a green to play on and that wouldn't happen without the hard work and dedication of Mike Friend and his team, who provide us with probably the best bowling green in Devon. He then went on to thank the Fixtures secretary David Hayden for arranging all the fixture dates and visiting teams to play against, plus the ladies fixture secretary providing the dates etc for the ladies teams and of course the people who oversee the Riviera triples and Over 55's triples sections of the club, plus the men's and ladies competition secretary's who arrange the internal club competition's and Mo and Linda who organise the club night activities. The catering, bar and hot food personnel who keep us plied with refreshments plus raffle prizes etc. All these things don't happen by chance, as the hard work that goes on behind the scenes often goes unnoticed. Your hard working Secretary and Treasurer and of course the club pavilion manager who keeps the club house running and coordinates the volunteers for the painting of the inside and the outside of the building etc. All these people, including the Welfare officer, the Safeguarding officer, the Publicity officer and Bowls Devon delegates are all working on your behalf and don't forget they are all volunteers. Thank you.**
